

Almighty God Shall Purge His Wicked Sinners From The Earth!

“My son, I Am with you. Great changes are coming in the Earth- the elimination of My sinners. My people refuse to obey Me, the Living God. They call Me LORD, but won’t do My will, My son. Great countries shall be devoid of people- My pandemic shall wipe them out, My son. Few shall be left to live on the Earth- My fury shall wipe out the population of sinners. Nuclear war shall wipe

out the major metropolitan centers in the land- they shall be gone in a second! That is evident of how much My fury and rage has built up against the centers of world sinners. Wicked sinners shall be wiped out everywhere, whether by pandemic or nuclear radiation or by the force of My fury! My wrath shall accomplish all in My heart against My wicked sinners everywhere. Few shall endure My wrath to make it to the end. My believers shall endure to the end to populate the land. Surely the meek shall inherit the Earth. I make it so. Hell shall be populated with the souls of wicked sinners everywhere, and they shall wail forever! I have spoken, the Living God, amen!"
